LAST WEEK ON THE WEB

Many thanks for this wonderful message. I am based in London (UK), and I was really blessed [by the sermon “OTW”], thank you.

< Khan on whchurch.org >

I loved [The Bridezilla of Christ], found it downright heartening and true. Keeps me hanging in to know that brilliant people are expressing my deepest beliefs. Never thought I’d hear them in church.

< Nicole on whchurch.org >

My wife and I live in Londonderry, Northern Ireland and listen to your messages frequently. God bless you my friend and your family and church.

< Chris on whchurch.org >
