echo

event scholarship application

SCHOLARSHIP APPLICATION

Echo has a limited amount of scholarship money allotted for each event. To be considered for a scholarship, this application and the event registration need to be turned in three weeks before the event. Our standard scholarship amount is 50% of the event price, but special circumstances are also considered. Other consideration will also be given to Echo involvement, as well as promptness of the application. After this application is submitted, Echo staff will communicate with you regarding how much we can scholarship within a week.

Parents or students can submit this application to the Hub or team rooms.

Student and Parent Information

First: _____ Last: _____

Parents/Guardian: _____
