

White Heresy Gathering Group Questions

Ice Breaker:

What is one thing that you found encouraging from the last week?

Question #1: The first couple of questions are meant as ways to review what Greg taught us.

- Summarize the primary point of the sermon in your own words.
- What stood out to you the most?

Question #2: Read Ephesians 2:11-18 together.

- What does this passage teach about reconciliation?
- Why do you think Jesus came to reconcile us both to God and to one another?
- Think about how you might explain the fact that the message of racial reconciliation is central to the Scriptures to someone who is blind (but open) to this fact. How might you share this point with them?

Question #3: Say something like: “Greg explained why the white church has failed to preach the centrality of racial reconciliation.”

- What was the essence of the reason he gave?
- How have you seen this play out in your previous church experiences?
- What other reasons do you think that this has been ignored?

Question #4: Greg closed with a call to repentance.

- What does it mean to repent? How is it more than just saying some words?
- Repentance speaks to the need to turn and go in a different direction. What does it mean to repent here so that we repent with our life and action, not with just our words?
- How do you sense God speaking and leading you during this time?
- Spend some time praying for each other.
