### **Chorus**

We're gonna dance, lift our hands  
Celebrate it's Christmas  
Light of the world Jesus is born  
Raise your voice  
Make some noise it's Christmas  
Let's celebrate and shout for joy

### **Interlude (hand claps)**

### **Verse 1**

There's a reason why we sing and why we celebrate  
It's Christmastime, it's Christmastime  
It's the season that He's given us a gift so great  
It's Christmastime, it's Christmastime

He's the light of the world come down to us  
From heaven now everyone sing
