

**LIVING
HOPE**

WORD OF LIFE: HE EQUIPS THE CALLED.

Dear Friends and Family,

As this year draws to a close, I feel led to share something with all of you. So much has happened in what feels like the blink of an eye, and when I think of time passing so quickly, I'm reminded of how God often places moments in our lives—opportunities that come and go before we even realize their significance. These moments, however fleeting, are woven into the larger plan He has for each of us. Sometimes we don't fully understand their importance until much later.

CAN YOU RECALL MOMENTS LIKE THESE FROM YOUR LIFE THIS YEAR?

Many people I've spoken with share a common experience—they don't seize these moments because they feel "unprepared," "inadequate," or even "too weak." Months later, they find themselves wondering, "What if?," as they look back on opportunities where a step of faith could have led to something powerful.

Brothers and sisters, think of what you were when you were called. Not many of you were wise by human standards; not many were influential; not many were of noble birth. But God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong. God chose the lowly things of this world and the despised things—and the things that are not—to nullify the things that are, so that no one may boast before him.

LIVING HOPE

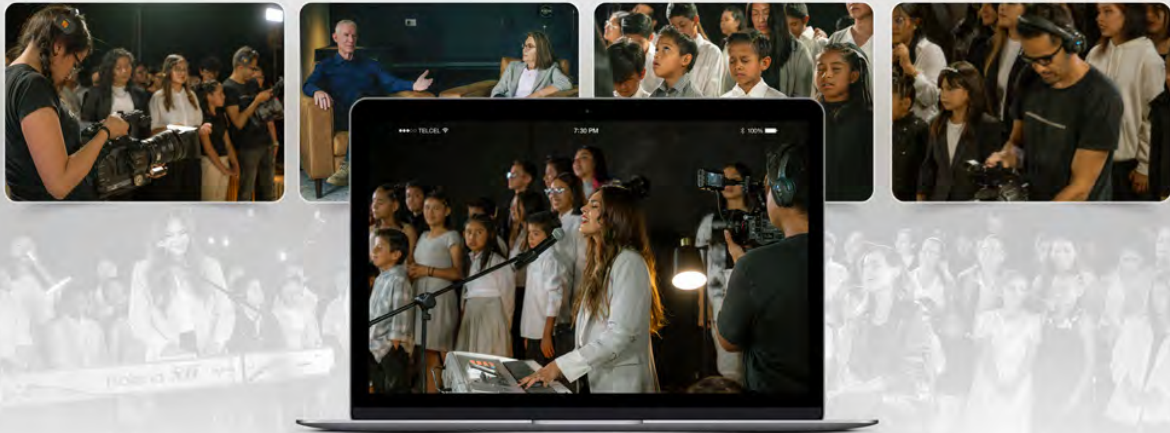

So here is what I feel God wants you to know: **He is enough.** If He has called you—to reach out, to pray for someone, to give, or to step into someone’s life—don’t let doubt hold you back. If it is from God, He will supply everything you need in just the time you need it: the words, the resources, the courage. He is a faithful God, and He won’t lead you astray.

God bless you abundantly,

Jerry McNally
