

NEWSLETTER September 2019

“No Longer Slaves”

“No Longer Slaves,” like many popular praise songs in English, has been translated in Spanish and is widely sung throughout Latin America. At the end of the song the final words in the Spanish version, when translated back into English would say, “I only know that I am his child, and he is my Father, and my Father loves me.” The Father showed his ultimate love by giving us his only-begotten son, Jesus, to die on the cross in our place.

Please pray with us that the 2020 camp theme “My Father Loves ME” will touch hundreds of children who possibly will be knowing for the first time in their lives the Father’s love through Jesus!

—Brother Paul

Summer Camp Notes

We had four fabulous Jesus-filled summer camps in July with over 200 campers. Thank you, Lord! A special thank you to Rick and Kathy, from Texas for all your help. An excellent video on our You Tube channel, Camp Penuel Costa Rica, highlights the summer 2019 camps. Thank you brother Edwin for this special video. (www.youtube.com/watch?v=sRDiUkSt-eU.)

Thank you for your prayers and financial support of the camps. All campers write letters about what they learned and received from God at camp. A couple of samples below and more are on our website (www.cp-cr.org.)

Thanks you God and the staff for help me in the camp Penuel

I learn to don't stay away from church and don't let the world influence on me.

Many because of the experience I had yesterday to get to know God more closely and to talk with the staff. Very much enjoy the activities we did... thank you and god blessed you.

A very talented group from Bethlehem Methodist, Hutchinson, MN helped with English camps and camp projects in June. Thanks to all who ministered to the children and youth who attended the English camps.

Mark and Lois will be at the Camp January 19 to February 11 and they have a welcome mat out for any and all teams and visitors.

For individuals or families that might be vacationing in Costa Rica, consider dropping by the camp, especially when the children are there for the month of January and the first two weeks of July. Stay a night at the mission house if you wish, without any cost to you. Just let Mark and Lois know when you wish to be at the mission house or just visit the camp.

Please check out the calendar on our website: www.cp-cr.org and consider helping with a January 2020 camp. Two camps are held every week in January.

Lots of projects going on during the past few months in preparation for upcoming camps.

In the Community

It is much safer and easier to walk to Camp from the Mission House. New gravel has been put on the first hill and drainage ditches were added. Yeah!

At Home

An old pole shed on Paul and Thelma's property was remodelled to make a chicken coop. This is a new project and will produce semi-organic eggs for the Camp and area customers.

At the Camp Farm

Make a tax deductible contribution to Camp Penuel Costa Rica by mailing to:

CAMP PENUEL COSTA RICA
2431 CHURCHILL ST
ROSEVILLE MN 55113

More than an acre of cane (for cattle feed) has been hand-planted by Roy on the right (Paul & Thelma's son) and his 2 cousins and other workers not pictured. Thank You!

Your continued support is much appreciated and gives children the opportunity to experience a Christian Camp without cost to them.
