# IN YOUR OWN WORDS

A priest and a physicist walk into a bar... and it's the same guy!  
 A perfect subtext to the series where we are discussing the the conflicts and compatibilities between faith and science. Many of us practicing scientists are also persons of strong spiritual faith.

GEORGE, ON THE WHC WEBSITE

# GIVING AND GENEROSITY

Together, we're changing lives in real ways! Thanks for your generosity and for helping us serve people so they can meet a Jesus-looking God and find the hope that only he can give.
