IN YOUR OWN WORDS

When I was at IBM writing code, God show me that we need direct interface with the Father, which only comes through Jesus and the Holy Spirit. I got off track for a while thinking that we were all just brain damaged in need of fixing. After listening to WH sermons, I think there is hope in following Jesus, not just brain damage.

Woodland Hills has been honored to act as a Project Home site for eleven years. In March and April, we will be hosting again and we need your help welcoming families for the night! Volunteers can help with two different shifts.

- **Evening Shift:** Hang out with the families. Hand out snacks, read bedtime stories and craft with the kids.
