

What Are You Looking At?
Gathering Groups Discussion Questions:

Question #1:

- What does it mean to see things through a bad or evil eye?

Question #2:

- How does our sight taint or even corrupt things we see?

Question #3:

- Can you illustrate this from your own experience?

Question #4:

- How do we learn to see through good eyes?
- What do you need to learn to see differently right now?
