Milwaukee, Wisconsin! Cru National Staff Conference

We have returned from Cru25, our national staff conference. I had the privilege of sharing a message with around our campus staff about the uniqueness of our calling to win, build, and send multiplying disciples. It was a reminder that our vision today is the same as the vision that originally came to Bill and Vonette Bright in 1951, to "reach the campus today, change the world tomorrow."

We heard from our new global president, David Robbins. We were challenged again to surrender our lives to God. And we were also asked to join in 40 days of prayer from Aug 23-Oct 1, by our Campus Executive Director, Shannon Compere. **Would you consider joining us in prayer during that time for revival on campus?**

Our kids enjoy KidsCamp and CruStu. We effectively create the country's largest childcare with over 1000 students during the conference! Here, you can see a photo of them packing school bags for students in South Sudan.

Sign up, please! A NEW E-NEWSLETTER FORMAT - with videos

epistle

Hanni and I are going to start using **epistle** for our e-newsletter, partially because I can send you videos to watch. **Go to this link to subscribe!** **https://thegofamily.epistle.org/subscribe**

You will still receive this hard copy newsletter in the mail, unless you email us and tell us to stop.
